How LARG Assists Plaintiff & Defense Counsel

Independent claims expertise across liability, injury, coverage, and litigation matters.

For Plaintiff Attorneys

- Identify claim handling weaknesses and possible bad faith concerns.
- Review claim files, adjuster notes, reserves, and settlement activity.
- Support deposition preparation for adjusters and claims personnel.
- Analyze coverage issues and potential sources of recovery.
- Provide strategic insight for liability and damages negotiations.
- Offer expert witness review and objective claims practices opinions.

For Defense Attorneys

- Assess whether claim handling was reasonable and defensible.
- Review documentation, investigation steps, and settlement decisions.
- Identify litigation vulnerabilities and opportunities for early resolution.
- Support witness preparation for adjusters, examiners, and supervisors.
- Evaluate coverage disputes, exposure, and claims practices issues.
- Provide expert witness review and objective claims practices opinions.

Types of Matters We Support

Commercial Auto	Personal Auto	Bodily Injury	General Liability	Casualty
Premises Liability	Trucking	Municipal Claims	Environmental	Large Loss
Subrogation	UM/UIM	Coverage Disputes	Claims Handling Practices	Settlement Evaluation

Why LARG

- Real-world claims leadership and litigation support experience.
- Independent, objective, evidence-driven analysis.
- Experience across complex liability and claim environments.
- Practical insight into investigations, negotiations, reserves, and settlement strategy.

Need an independent claims consultant or expert review?

LARG helps attorneys evaluate claims, strengthen strategy, and understand the insurance decision-making process.
